

## 2024 Astec Mobile Jaw & Impactor Crushing Service School

March 19-21, 2024

700 West 21<sup>st</sup> Street, Yankton, SD 57078

### Course Description

This three-day school will educate attendees on the basic set-up, operation and maintenance of track mounted jaws and impactors. Participants will also learn how to operate the equipment efficiently, effectively, and economically. Attendees must be present at the end of the final day of the school to receive their training certificate.

\* Bring a laptop computer or mobile device.

### Pre-Requisites

All attendees must complete the 1-hour free online Fundamental Electrical and Hydraulic Systems course on-demand at Astec University prior to attending the school at [Astec University](#).

### Event Location

**Astec - Yankton**  
700 West 21<sup>st</sup> Street
