

## 2024 Cone Crushing & Screening Service School #2

May 20-23, 2024

919 Kruse Way, Springfield, OR 97477

### Course Description

This four-day course will educate attendees on how to assemble, disassemble, operate and maintain the Kodiak® Plus Cone Crushers, Titan™ series Cones, and triple-shaft horizontal screens. Participants will receive hands-on live demonstrations as well as classroom education; The course will also review the crusher control systems. This course is developed for dealer and end user maintenance personnel and operators, but is also recommended for parts, support and supervisory attendees. Attendees must be present at the end of the final day of the school to receive their training certificate.

\* Bring a laptop computer or mobile device.

### Pre-Requisites

All attendees must complete the free online Fundamentals Certification: Electrical/Hydraulic Basics On-Demand Training through Astec University before attending at: [Astec University](#).

### Event Location

### Hotel Accommodations

Accommodations must be made by the customer. Discounted rates are available at the Holiday Inn Eugene/Springfield listed above for the guaranteed rate of \$159/night rate when you mention the Astec Service School. Online bookings will not include a discounted rate – the reservation must be booked via telephone.

## Transportation

There is no longer an airport shuttle offered by this hotel. Ride share, rental cars and taxis are also readily available at the airport. Any additional transportation to-and-from the factory and hotel throughout the training days will be provided by Astec as outlined in the agenda.

## Meals

Meals provided at the school include breakfast starting at 7:00 am with lunches and snacks. An Astec-hosted dinner and social event will occur one night of the school. Please refer to the agenda for further information.

## PPE Requirements

The following PPE is required:

- \*Steel-toed boots (Astec will provide slip-on toe caps)
- \*Yellow reflective safety vest (provided by Astec)
- \*Safety glasses with side shields (non-prescription safety glasses provided by Astec)
- \*Hearing protection (provided by Astec)
