

2024 Rock Breaker Technology Service School

April 9-11, 2024

35 Elgin Street North
Thornbury, Ontario

Course Description

This three-day classroom service training course will focus on the service and maintenance of rock breakers and related equipment. Students will gain knowledge for equipment set-up, operation, and scheduled maintenance and their related control systems. Attendees must be present at the end of the final day of the school to receive their training certificate. Space is limited to 16 attendees.

* Bring a laptop computer or mobile device.

Pre-Requisites

All attendees must complete the 1-hour free online Fundamental Electrical and Hydraulic Systems course on-demand at Astec University prior to attending the school at [Astec University](#).

Event Location

Astec - Thornbury
35 Elgin Street North

Hotel Accommodations

Accommodations must be made by the customer. Discounted rates are available at the following hotel when you mention the Astec Service School. Online bookings will not include a discounted rate – the lodgings must be booked via telephone.

Days Inn & Suites Collingwood

15 Cambridge Street, Collingwood, ON L9Y 0A2

P | 705-444-1880

Room Block | \$112.46/Nightly – Astec Corp. Rate

Transportation

Participants are responsible for their own transportation from Toronto Pearson International Airport to the host hotel. Rental vehicles and shuttle services are available at the airport. Astec Thornbury will provide a shuttle service daily to-and-from the host hotel and the Thornbury facility.

Meals

A light breakfast will be served starting at 8:00 each morning along with lunches and snacks throughout the conference. Astec will host a dinner and social opportunity one of the nights following training. All other dinners will be the responsibility of the attendee. Please refer to the agenda for further information.

PPE Requirements

The following PPE is required:

- *Steel-toed boots (Astec will provide slip-on toe caps)
- *Yellow reflective safety vest (provided by Astec)
- *Safety glasses with side shields (non-prescription safety glasses provided by Astec)
- *Hearing protection (provided by Astec)
