

2024 PETERSON LINE HORIZONTAL GRINDER & DRUM CHIPPER SCHOOL

 **Course Description:**
The three-day service school offers valuable skills-based experiences that reduce operating costs and machine downtime while developing your technicians' skillsets through classroom and hands-on instruction delivered by experienced factory specialists. Topics covered include schematics, electrical and hydraulic systems, troubleshooting and repair, best practices, maintenance, clutches, wear parts, and control systems.

*** Bring a laptop computer and multimeter for troubleshooting.**

 **Tuition Fee:**
\$1,500.00 per person.

 **Location:**
Astec Peterson Pacific Corporation | 29408 Airport Rd, Eugene, OR 97402

 **When:**
Session 1: August 13 -15, 2024
Session 2: August 20-22, 2024

 **Hotel Accommodations:**
You must arrange your hotel accommodation independently of your school reservation. Be sure to announce you are with Astec Industries to ensure the discounted rate. Online bookings will not offer you a discounted rate, you must call the hotel directly. We have a block of rooms with reduced rates at the:
Valley River Inn Eugene
1000 Valley River Way, Eugene OR, 97401 | 541-743-1000

 **Transportation:**
There is no airport shuttle offered by this hotel. Rideshare, rental cars, and taxis are available at the airport. Transportation from Astec and the hotel throughout the training days will be provided, the bus leaves the hotel at 7:00 AM daily.

 **Meals:**
Breakfast will be served starting at 7:30 each morning. Lunches, and assorted beverages and snacks will also be provided throughout the training. There will also be an Astec hosted dinner and social opportunity on **one** of the nights.

***Students must be present through the end of day THREE to receive their training certificate.**
